UMRA Liaison Annual Report for 2019-2020

by Will Craig

The P&A Senate met five times during the 2019-2020 year. UMRA was not discussed at any of them. The P&A Senate meeting minutes and resolutions are filed with [UMN Digital Conservancy Archive](#).

P&A minutes, resolutions, statements and documents are all filed on the [P&A website](#) and in the UMN Digital Conservancy Archive which is also linked on this page. Each year, the chair of the PACC also files an annual report to the BOR. Those are in the minutes of the June BOR meeting each year.
