August 20, 2023

TO: Gerald Rinehart

FR: Bev Moe, Chair, UMRA Hiking interest Group

RE: Annual Report: UMRA Hiking interest Group.

The Hiking Club meets on the first Monday of the month, November through March, and the first and third Mondays April through October, except for July and September when the club meets the second and fourth Mondays of the month. The August 7 hike was cancelled by the club organizer; all other hikes were held. Attendance is up this year, with 15 hikers at one hike. More club members are offering to lead hikes this past year than the first year of our club, meeting one of our goals for this past year. Our goals for the coming year are to have monthly state park hikes with lunch afterwards during the summer months and have at least two short slow hikes for those recovering from injuries or getting started with a walking program.
