Liaison Annual Report

by Will Craig

UMRA and the UofM Alumni Association (UMAA) have been working closely together since a Partnership Agreement was signed in summer 2020.

The following numbers document the success of that relationship:

- 62 videos submitted to Gold Mind in the past 3 years – 17 this year
 - 3160 views in 3 years – 1,544 this past year
 - 377 views of *Family History: Discovering Ancestral Homelands* (10/22), our most popular program
- 78 people volunteer 983 hours during the Alumni Association's Day of Service in April
 - 33 people worked on URVC's *Future Gopher* project.
 - 39 people worked on URVC's *Every Meal* project.
 - 6 UMRA/URVC members registered independent projects with UMAA.
- UofM Day at Target Field will be held in July 2023. UMRA has agreed to participate. The turnout will appear in next year's annual report.

The Partnership Agreement is on a 2-year renewal cycle. Both sides agreed the partnership is going well and it was renewed September 2022.
